

Ontario Association of Chiefs of Police

Presents the
“OACP Traffic Safety Excellence Award”

Sponsored by

“Traffic crimes cost society more, devastate Ontario families, and inflict more physical insult than all other crimes combined.”

In Ontario’s policing community, certain individuals clearly stand out as life-long leaders in traffic safety. These visionaries display a tireless dedication and a never-ending devotion to their pursuit of ensuring the public’s safety on our roadways. This commitment is shown throughout their policing or community safety career and involves the development of strategic partnerships, championing new solutions, and ensuring effective enforcement and educational activities both within the policing profession and externally throughout their communities.

Every year, concerned and motivated police officers and community safety partners implement numerous traffic safety initiatives on behalf of their respective agencies designed to reduce the incidence of death and serious injury attributed to motor vehicle collisions on the province’s highways. Many of these programs prove to be extremely effective, show great creativity, and involve innovative solutions. They also prove to our communities the level of commitment Ontario’s police organizations and community safety partners have toward traffic safety concerns.

Awarded annually by the Ontario Association of Chiefs of Police (OACP) and sponsored by CAA South Central Ontario, the “Traffic Safety Excellence Award” will be presented to one currently serving individual, police organization, community safety partner or initiative who has clearly devoted themselves and their policing and community safety efforts to furthering traffic safety in Ontario.

The award will be presented at the OACP’s 2024 Annual Conference on Tuesday, June 11, 2024, at RBC Place London, London, ON. The recipient will be invited to attend the Awards & Life Members Luncheon to receive the award. The winner will receive an engraved plaque to commemorate the occasion.

Note: Award information is also posted on the [OACP website](#).
