

Ontario Association of Chiefs of Police

Presents the
“AGCO Award for Outstanding Investigation”

Sponsored by

AGCO

Alcohol and Gaming
Commission of Ontario

Every day, offences related to the alcohol, gaming, horse racing and cannabis retail sectors threaten public safety across Ontario. Often, it is only through the diligence of attending police officers who connect such occurrences to certain individuals and corporations, ensuring they are held accountable for their actions and resulting negative impact on public safety.

Police officers also work closely with the Alcohol and Gaming Commission of Ontario (AGCO), the provincial agency responsible for regulating these sectors through the administration of the *Liquor Licence and Control Act, 2019*, the *Gaming Control Act, 1992*, the *Horse Racing Licence Act, 2015* and the *Cannabis Licence Act, 2018*.

The original **Award for Outstanding Liquor Enforcement**, previously awarded annually by the Ontario Association of Chiefs of Police (OACP) and sponsored by the AGCO, was paused temporarily. It is being relaunched this year and expanded to include investigative/enforcement work conducted in the alcohol, gaming, horse racing and cannabis retail sectors. The award has been renamed the **AGCO Award for Outstanding Investigation**. It will be presented to the police agency demonstrating excellence and innovation through their work in one or more of the four sectors. All Police Services and Law Enforcement Agencies conducting investigations in Ontario are eligible for this award.

The award will be presented at the OACP’s 2025 Annual Conference on Tuesday, June 24, 2025, at the Blue Mountain Village Conference Centre, Blue Mountains, Collingwood, ON. The recipient will be invited to attend the Awards & Life Members Luncheon to receive the award. The winner will receive an engraved plaque to commemorate the occasion.

Note: Award information is also posted on the [OACP website](#).

Judging and Selection Criteria

The OACP Alcohol and Gaming Committee will review submissions for the AGCO Award for Outstanding Investigation, and the final selection will be made by the OACP Awards and Honours Committee.

The nomination should detail how the enforcement agency has increased efforts with regard to the enforcement of the *Liquor Licence and Control Act, 2019*, the *Gaming Control Act, 1992*, the *Horse Racing Licence Act, 2015* and/or the *Cannabis Licence Act, 2018*. When describing particular enforcement programs, include details of the initiative's inception through its development, design and implementation stages, and conclude by documenting its impact on community safety. Statistical data that clearly indicate the initiative's measurable success should be reported. The nomination should also address whether the project is a one-time initiative or a sustainable, ongoing program that may enjoy success for years.

Many successful enforcement programs combine enforcement activities with an educational component; the nomination report should also discuss how these activities were combined.

The following criteria will be used to assess the submissions:

- **Innovative approach**
Creates a new, forward-thinking initiative which enhances public safety and increases lawful compliance by the public and licensees.
- **Impact on community safety and satisfaction**
There has been a measurable or perceived improvement in the community due to these efforts.
- **Overall quality of the submission**
The nomination is clear, concise, and follows a logical path outlining the efforts and/or initiative in its entirety. Consideration will also be given to the impression left with the reviewing panel regarding the agency's success.
